From our President

This is the time of year when we normally look forward to attending our annual kick off luncheon in February. Unfortunately, this still can't happen because of the pandemic. Continue to stay tuned. Hopefully as the vaccine gets out there, things will improve. In the meantime, continue to enjoy MBCA's offerings: The Star Magazine, Virtual car shows, and online technical sessions. I'm hoping to attend one of Pierre Hedary's Thursday night online tech sessions. I watch Pierre's YouTube channel, and I understand that his tech sessions are very impressive. Hopefully, we will be able

to attend several events in person yet this year. Remember to be kind and continue to stay the course with safety precautions.

Marty

Linda Shea

It is with great sadness that we inform our members of the December passing of our past long-time president, Linda Shea. She headed our section for 10 years as president, and with her husband Pete, who passed away in 2012, she was a continually active member from the very beginnings of our section. We send along our heartfelt condolences to her family.
