From our President

The monthly events held by the Keystone Section of the Mercedes Benz Club of America have become some of the true highlights of my life. There was always a new adventure to look forward to. It is hard to believe that our last event was the Kickoff Luncheon back in February. We have tried to remain positive that the COVID-19 situation would improve. At this time however, with a heavy heart, I am sharing the news with you of the section officers' decision to cancel the remaining events for 2020. The safety of the members and the difficulty in planning workable events has forced us to make this decision. Enjoy your Star magazine, check out some of the MBCA Online Car Shows, and spend some quality time with your Benz.

"Mater", my 2001 W210 E320 4matic wagon is back on the road after completing many repairs. My daughter has claimed the car as her own and will be taking her driver's test with it shortly. I am sure we can all remember what car we drove for our driver's test. This will be a special memory for her.

The officers are tentatively planning to meet in November for our yearly planning meeting. We continue to hope that the pandemic weakens, and that we will be able to plan some exciting 2021 events. Let's remain optimistic that we will be enjoying some new adventures soon.

Marty

Do we have your Email Address?

If you did not give the national office your email on your membership application, **or it has changed since you joined,** please consider sending it to me at kitjan613@aol.com. It will be used for **only** Keystone Section communications! We are trying to compile as complete a list as possible of member email info. This helps us with last-minute reminders, changes or cancellation of events. It would, also, enable us to send the newsletter by email in the future, and save the club some of the costs of printing and postage.
