From our President~~~~~

I am honored to have been named Keystone Section's Member of the Year for 2011. I receive great satisfaction in seeing so many members sharing their passion for Mercedes-Benz. Thank you to all of our active members who make our events so successful and inspire me to continue to lead our section. I also want to thank John Kitner for nominating me for this award.

Looking forward to 2012, your officers have already planned many new and "old favorite" events. Please join us for the February kick-off meeting where we will work out more details. If you have never participated in any of our events, please look over the calendar and pick one that strikes your fancy. I'm certain that once you meet our group of regulars, you'll want to come back for more.

November 12, 2011: Tech Session with Becker Autosound at Tom Masano By Barbara Fiedler, MBCA-NEPA President

Northeastern PA and Keystone Sections partnered to host a tech session on Saturday morning, November 12th from 9 to 12. Fourteen MBCA members from both sections attended. Tom Masano Mercedes-Benz in Reading was our host. They provided the club with great food and coffee from Panera, along with the meeting room and the opportunity to look over the new and pre-owned Mercedes-Benz line.

Ed Ebel and Tom Mitchell, owners of Becker Autosound, LLC, are truly the Click and Clack of Mercedes sound systems. Their presentations are lively (great humor and anecdotes) and informative. The Becker portion of the Tech Session was only scheduled to run about an hour. Instead, it kept going for three hours—not including conversations Tom and Ed had with members about specific radio, speaker, and antenna problems and cures. They brought with them radios and accessories dating from the 1950s to the present, covering tube radios, hybrid (tube and transistor), all-transistor, the first tape decks, CD drives, and current-era radios with Navigation, Bluetooth, and Satellite. Three hours without a boring moment—or even a break.

We are very fortunate to have a source for Mercedes radio repair, parts, installation and advice only an hour or so away in Saddle Brook, New Jersey. Visit their website, www.beckerautosound.com, or contact them directly at 201-773-0976 or via email at service@beckerautosound.com.

Do we have your Email Address?

If you did not give the national office your email on your membership application, or it has changed since you joined, please consider sending it to me at kitjan613@aol.com. It will be used for only Keystone Section communications! We are trying to compile as complete a list as possible of member email info. This helps us with last-minute reminders, changes or cancellation of events. It would, also, enable us to send the newsletter by email in the future, and save the club some of the costs of printing and postage.

Holiday Party 2011~~ Another great evening!

The Eden Resort Inn, Lancaster, was the site of our 2011 holiday celebration for the tenth year. We had another wonderful evening, with about 30 members and guests attending. Our party was held Saturday evening, Dec. 3. We enjoyed another delicious Eden Resort dinner, and a good time with friends old and new.

Following dinner, we conducted a business meeting, during which Larry Taylor presented the trophies from our September auto cross, and John Kitner presented Larry Taylor with the 2011 Member of the Year award for all of his hard work for our section during the year.

Door prize drawings were then held—with gifts for all! We thank Sun Motorcars, Mercedes-Benz of Lancaster, and Eden Resort for their donations and discounted items for prizes. As always, we deeply appreciate their generosity. Special thanks, also, to John & Mary Kensek, fellow members who, now, live in Florida, for a beautiful gift of an edible bouquet. It was presented to Jan & John Kitner for their work organizing our holiday party each year.

If you haven't attended in the past, you've been missing a great evening. Come out in 2012 and see for yourself! We have already reserved Saturday, December 1st. for this year's dinner, so mark your calendars. As the year progresses, there will be more info about reserving a room for the evening. We usually get a reduced rate for those attending the dinner.

John Kitner presents Larry Taylor with the Member of the Year award.

Marty Rexroth receives his auto cross trophy for 2nd place in his group.

John Kitner also gets his trophy for 2nd in his group.

February Yearly Kick-Off Luncheon 2012

Start off MBCA year 2012 with a great meal, and lots of Keystone Section friends. Plan to attend our luncheon at the Roosevelt Tavern, 400 West Philadelphia Street, York PA. The new owner is Byron, former Chef at Hayden Zugs. Max & Donna Copenheaver have planned a great afternoon for us on Sunday, February 19th. We will meet at 1 PM for socializing and lunch. We encourage all of our newer members to attend, and get to know your fellow Benz lovers. We have an entire year's worth of interesting meetings and events planned. Join us at our first 2012 event, and see what's in store for the year. This is, also, a great time for members to bring guests who may be considering joining.

The new owner has made several changes, and for Sundays, there is only a Brunch. We will have a choice from 3 entrees, Grilled 4 oz Filet Mignon \$21.95, Jumbo lump Crab Cake \$22.95, or Herb Crusted Roasted Chicken Breast \$18.95 plus 6% tax and 18% gratuity. The meal price also includes soup/salad, dessert, and a non-alcoholic drink.

Please RSVP to Max & Donna Copenheaver, 717-764-5890 or maxanddonna@verizon.net by February 15th. They like to give the restaurant an approximate count, but if you find you can attend at the last minute, come on out. We can always make room for a few more!

The Roosevelt Tavern is located at the corner of West Philadelphia and Penn Streets. Follow old 462 four blocks west of George Street. Park and enter the restaurant from Penn Street. Please contact Max & Donna if you need more directions, or call the restaurant at 717-854-7725. Hope to see you there!
