## From our President~~~~~

Let me start by thanking the staff at Sun Motors for another great tech session. Please see my article for all of the details.

Thanks to Jan and John Kitner for organizing the Rainbow Dinner Theatre lunch and play. Even though we had a smaller than expected turnout, we had an enjoyable afternoon.

The Cape May weekend, Carlisle Import Car Show, and trip to Mercedes-Benz of State College will give us a chance to do a bit of driving in the next 2 months. Please see the articles in this issue.

I was lucky to be invited to tour the Nicola Bulgari car collection in Allentown in April. He is an Italian jeweler who splits his collection between Allentown and Rome. The Northeast PA MBCA Section hosted the event. Keith Flickinger, the collection's curator, served as our personal guide. The cars we saw were mostly classic American cars from the 1930-40's. He loves Buicks and has a special attachment to cars from 1941. Most are fully restored, but others are unrestored originals. These cars are all available to be driven at his command. He and his friends will often take several of them out for a long drive. Keith and his staff of 5 devote themselves to restoring and maintaining the collection. Mr. Bulgari has the ultimate garage. The 1<sup>st</sup> floor is reserved for the cars. The second floor consists of a bedroom and a large dining/living room. The apartment features a continuous glass wall, so that his collection can always be admired. He just purchased the old drive-in movie theater next door so that he will be able to drive one of his beauties to enjoy a movie after dinner.

I'm proud to announce that the Taylors have just added a "new" wagon to their more modest collection. We just purchased a 2006 E350 4MATIC from Mercedes-Benz of Lancaster. Thanks to Richard Mast for finding this rare model and Joe DeCarolus for finalizing the deal. This wagon is the perfect combination of safety, style, comfort, and utility. We look forward to some great summer road trips.

Larry Taylor

## Carlisle Import & Kit Nationals, May 18 - 20, 2012

The Keystone Section will be returning to the Carlisle Import & Kit Nationals this year. Admission is only \$20, which includes admission for 2 for the weekend. . Children 8 and under are admitted free.

It showcases over 1,200 euro-classics to import sports cars and attracts all genres of attendees. Italian cars will be featured this year. Noted Mercedes-Benz restoration expert, Alex Dearborn, will be the featured guest this year. ## Trip to Mercedes of State College And Points of Interest at Penn State University Park

Saturday June 16<sup>th</sup>, we will travel to State College for a tour and open house, at the new MB/Sprinter facility at Mercedes Benz of State College, 3220 West College Avenue, State College, PA 16801. Our tour, at 11am, will be followed by a luncheon provided by the owner, Charles Driscoll. This is a wonderful opportunity for our State College area members to attend a club function, and meet fellow members from "the south".

After our tour and luncheon, we will drive to the PSU campus for a short guided tour of the Food Science Building. The four-story structure is home to the Berkley Creamery and the university's Department of Food Science. We will end our visit at the creamery for a delicious serving of ice cream. Parking is available in the East Campus Parking Deck on Bigler Road, directly behind the Creamery Store and the Food Science building. The first 30 minutes of parking are FREE.

OPTIONAL VISIT-----on your own: Just a short drive from Berkley Creamery, is the Arboretum at Penn State. The H.O. Smith Botanical Gardens in the Arboretum are adjacent to the University Park campus, near the intersection of Park Avenue and Bigler Road. The entrance to the parking lot is on Bigler Road, facing the parking lot for the Lewis Katz Building. The gardens are open daily from dawn to dusk. Currently, there is no admission fee.

Those of us traveling to State College from the York/Harrisburg/Lancaster area will meet at 8:30am at McDonald's, 4403 North Front Street, Harrisburg. It is approximately 2 hours to State College from there. A packet with more info, maps, and directions will be available. Please contact John Kitner, [kitjan613@aol.com](mailto:kitjan613@aol.com), or 717-872-2988, if you are caravanning or attending from that area.

Our members from further north should meet us at the dealership at 11am. Please email Giff Albright, [gha1@psu.edu](mailto:gha1@psu.edu), to let him know you are attending.

## Drive Your Benz in the Carlisle Summerfair Parade!

You are invited to participate in the Carlisle Summerfair Parade on June 29, 2012. Bring your shiny new or old Mercedes-Benz and take a leisurely ride down Hanover Street in downtown Carlisle, PA. There is no charge to participate. The parade starts at 7:00 p.m. At the end of the parade, find a place to park and come back to Veteran's Square (Intersection of High Street and Hanover Street) and enjoy some free ice cream and a free concert by "Cheap Sneakers."

To participate, please let Robert Byrne know that you will be there by sending an email to [parade@carlisesummerfair.org](mailto:parade@carlisesummerfair.org). You won't hear anything back from him since all entries are accepted. He simply needs to know how much space to reserve for the MBCA Keystone Section's cars.

Staging of the parade begins at 6:15 p.m. on North Street in Carlisle. You could show up as early as 6:15 or as late as 6:45 and get in the parade. After 6:45 it will be on a space available basis whether your car gets into the parade. Even if you show up late you can still have ice cream and listen to the concert. Let Robert know by emailing [rjbyrne@rjbyrne.net](mailto:rjbyrne@rjbyrne.net), or if you have any questions.

It will be used for only Keystone Section communications! We are trying to compile as complete a list as possible of member email info. ### Tech Session at Sun Motors March 24, 2012

About 22 members of the Keystone Section met at Sun Motors to learn about the new line of Blue Efficiency engines and an overview of the AMG models. Tim Knapp greeted us with coffee and donuts.

Gary Brown and Allen Moyer did a great job explaining the new Blue Efficiency technologies. All new gasoline powered Mercedes are now badged Blue Efficiency. Unlike the Blue Tec Diesels that we discussed last year, these engines don't require urea. They use turbo chargers and electric powered components, such as A/C compressors and power steering pumps. Much of their technology has been borrowed from hybrids. The benefits include increased fuel efficiency and engine performance.

Andrew Wierzbicki did another wonderful job presenting the E63 AMG. That really gets the heart pumping, even when it's just standing still. He also discussed the history of AMG and the other current models. Eric Shank, one of newer members, displayed his SLK 55 AMG in the shop.

We had pizza for lunch, and everyone was given an AMG T-shirt. My dad won the MB folding lawn chair. Thanks to New Car Sales Manager Mike Lombardi for organizing another successful event. Photo are of Jim Shank and his son with Jim's SLK (left), and Doug Conley, Ron Sturgis and Andrew Wierzbicki (right).

\*~\*~\*~\*~\*~\*~Annual Cape May Weekend~\*~\*~\*~\*~\*~\*

Seven couples traveled to beautiful Cape May, the weekend of May 4<sup>th</sup> to 6<sup>th</sup>. This year we had some chilly, weather, but that did not deter our intrepid Derby celebrators. We stayed at Mt. Vernon Motel, Beach Drive & 1<sup>st</sup> Avenue. What a great weekend, with time to socialize, or to enjoy Cape May's wonderful array of shops and restaurants.

John & Mary Kensek hosted this outing, highlighted by our Saturday evening "Derby Party". John & Mary moved to Florida a couple of years ago, but still come north for this weekend every spring! Mary really works hard to bring neat ideas for our race evening. We all bring snacks or drinks, ladies wear their best "Derby" hats; and we congregate on the patio, or in one of our rooms to watch the race. Numbers are drawn to match the horses running in the Derby, and we throw a dollar in the pot.

This year's winners were:

Win: Ken Harms                      Place: Karen Kaiser                      Show: Sherry Kendrick

Our cute "traveling trophy", Booby, The Wonder Horse, goes to the last place finisher each year. This year he went home with Greg Towson.
