From our President~~~~~

We've certainly had a very active last two months. We switched our picnic to September this year and experienced much cooler weather and had a great turnout. We had another great turnout for our autocross at Sun Motors. We ended with a fun but challenging rally through York County. Thanks to Joe and Richel Papapietro for all of the work they put into setting it up.

Our planning session for the 2013 calendar will be November 5th at Culhane's Restaurant at 6:00 pm. If you have an idea for a future event, please share it with us. Some suggestions include drive and dine, restoration shop tours, and winery visits. This is your club and we welcome your ideas and input. If you can't make it to the meeting, please contact me or one of our other officers with your ideas. Please rsvp to me by November 4th at larryt543@yahoo.com or (717) 627-1423.

I was looking for a newer Mercedes to replace my 1993 400E as a daily driver and track car. I did a lot of research and tracked down a 2006 C55 AMG with only 37,000 miles near Louisville, KY. Only 451 were imported in 2006, which is why I had to do a nationwide search. I flew out on a Sunday and drove it back over the next two days. It was rated at 22 mpg when new, but I managed 24 mpg on my return trip. Considering the 362 horsepower V8, it's not too bad. It's like driving a racecar to work every day. I love the way the race inspired seats hold me in place in every turn. I can't wait for a track day or autocross with the club.

Mary and I test drove the new 2013 GL450 at Mercedes-Benz of Lancaster recently. It was named *Motor Trend's* 2013 SUV of the Year. First of all, this is much larger than the ML 350. However, the extra size and weight don't seem to negatively affect the handling and performance. We tested the 4.6 liter bi-turbo V8 with 362 horsepower. A diesel powered GL350 BlueTEC and larger gas powered GL550 are also available. Visibility seemed better than I remember in the ML. The reason to consider the GL over the ML is the extra seating capacity. The GL can easily accommodate 7 passengers with a great pair of 3rd row seats. These fold down or up with the press of a button. With the seats up, the cargo space is limited, so you either have a cargo hauler or a people hauler at any one time. And if you're looking to move even more stuff (up to 7,500 lbs.), be sure to order the tow package for an extra \$550. That's about 1/2 what one of my co-workers paid for his hitch for his Toyota RAV 4. It's also about 1/3 of what it might cost to be installed later.

Here's a list of our favorite features. I liked how easy it is to reconfigure the seating. I also appreciated the many passive safety technologies that have trickled down such as the Active Lane Keeping Assist. The steering wheel will pulsate if you start to drift out of your lane. Mary liked the good visibility. Our 7 year old son, Robert, loved the 3 sunroofs.

If you have a large family or need lots of towing capacity, please be sure to test drive the GL450 for yourselves. I think you will soon realize that *Motor Trend* made a great decision.

Larry

It's an election year for Keystone Section, also!

We will be holding elections for our 2013-14 officers at the Holiday Party on December 1, 2012. If you wish to be placed on the ballot for any office, (president, vice-president, secretary, or treasurer) or, after getting their permission, nominating someone else, please send the information to Mary Taylor, our nominating committee chairperson. Contact Mary at 717-627-1423 or maryt543@yahoo.com. All officers are elected to a 2-year term. Please consider becoming more active in your section by serving as an officer!

Mercedes-Benz

Family owned and operated for 30 years, with courtesy pickup & delivery and car wash for service customers, we are a three-time winner of the Mercedes-Benz "Best of the Best" award. Stop in today and find out why!

OUR TRIP TO STUTT GART, GERMANY WITH FELLOW CLUB MEMBERS

Donna and Max Copenheaver

We left our home in York on Thursday morning, September 20th, 2012, bound for the Philadelphia airport for our Delta flight to take us to Stuttgart, Germany, to meet up with 28 other MB Club Members from around the US, Canada, and Australia. We arrived three days prior to the tour, so we had some time to explore. What we found was an industrial town, a prosperous factory town (over 4,000 employees work at the Mercedes Benz facilities); very clean, beautiful, quaint, with a somewhat modern feel. The town had a mile long pedestrian walkway with high end shops (expensive). We found everyone to be very friendly. There were bakery and coffee shops everywhere, so delicious! Stuttgart has 72 small "municipalities" surrounding it and very easy to travel by rail. Their rail system is fantastic! The countryside and climate was nearly identical to York County. We felt at home.

Jim O'Sullivan led our tour along with his German tour guide, Wolfram Koerner. This was his 9th trip and to find out all that we saw and did, please go back to your "The Star" issue of March-April 2012. We did and saw everything that is mentioned in that article. It was an exhausting five days but very worthwhile.

This trip was on Max's "bucket list" for some time now, and we thought we'd better do it while we can "still walk & chew gum" at the same time! Our favorites were being on the test track, the museums, the cars, and our visit to Stuttgart October Fest. Now known as the second best, only after Munich. That was an experience!

If you are considering signing up for the trip next year - don't wait - just do it. You won't be sorry!

See you at our next event!

Fall Autocross at Sun Motors by Larry Taylor

On Sunday September 23, 2012 the Keystone Section hosted an autocross at Sun Motors. A big thanks goes to Mike Lombardi, new car sales and parts manager, who secured the autocross lot for our club. Sixteen drivers, other members, and guests attended. The course was fairly tight with a circle, slalom, and u-turns. The old saying that slower is faster was definitely proven by this course.

Thanks to our friends from the Greater Washington Section (GWS) who brought loaner helmets, a big GWS tent, and years of experience to help instruct the drivers. Bill Hopper, Eastern Regional Director, helped out everywhere he could, Steve Spector, instructed and teched all of the cars, and Paul Vandenberg instructed. These guys really helped make the event run smoothly.

We had 5 novice drivers this year. Our times were measured by the automated timing equipment loaned to us by our national MBCA office. There were 4 practice runs to learn the course, and three official runs. Most of the participants improved upon their practice times.

We had 4 classes. Steve Spector set the fastest time of the day in his SLK350, but the drives of the day came from several of our novices. Chris Fletcher nearly beat our president Larry Taylor in his mom's SL500. In the 4/6 cylinder class, Pat Eagan took advantage of the tight course in his smart to post a 2nd place finish. Too bad Max Copenheaver was in Germany or we could have had a battle of the smarts. Just behind Pat in 3rd place was Grant Kobayashi in his E320 wagon, complete with roof mounted cargo box. A member of the Mile High Section, he is attending college in the Allentown area. Jan Kitner set the fastest women's time of the day. Gloria and Brad Oldenburg deserve special recognition. They both did very well, especially considering they are in their 70's. Gloria told me that she has avoided at least one accident thanks to the skills she has learned thorough our autocrosses.

We will be giving out certificates at the Holiday Party in December. We encourage all of members to come out to this event next year. It's a great way to appreciate and learn the handling characteristics of your Benz. Thanks again to everyone who helped out this year.

Final Results

SLK/AMG Class

<u>Car</u>	<u>Time (seconds)</u>
1 st Steve Spector 2007 SLK350	47.63 * = Fastest men's time
2 nd Paul Vandenberg 2008 SL55 AMG	48.80

3 rd Gloria Oldenburg 2008 E350	63.99
4 th Mary Taylor 1993 400E	71.43

Fall Rally Great Success!

The MBCA Keystone Section held its annual Fall Road Rally on Sunday, 14 October. We had 10 cars enter...and 10 cars finish...all of whom shared a leisurely drive on a picture perfect day through the beautiful fall colors of southern York County.

The 46-mile course, which took about 2 hours to navigate, began at Leader Heights in York and ran generally south to Glen Rock, PA. We finished up at the Glen Rock Mill Inn for a great dinner.

Congratulations to Jan & Marty Rexroth who had the best overall time and high score on the quiz.

September was Picnic Time!

The pavilion along the Yellow Breeches Creek at Allenberry Playhouse in Boiling Springs was the site for our annual Section picnic on Sunday, September 9. We were served the delicious "BBQ ala Allenberry, plus Pork Ribs" buffet, again, this year. Always a crowd favorite!

Cars were displayed for the "Members Choice Clean Car Show" from 3:00 pm, with judging at 4:00pm. A short business meeting with a recap of past and future events, followed our dinner, winners of the car show voting were announced, and trophies awarded. See the categories and winners below.

Holiday Party at Eden Resort Inn

The Eden Resort Inn, Lancaster, PA will be the site for our 2012 holiday celebration for the eleventh year. We continue to have wonderful results and good feedback, so we return, again & again! Our party is Saturday, Dec. 1st. at 6:30pm. If you haven't attended in the past, you've been missing a great evening. Come out and see for yourself!

Last year's menu was such a hit; we are choosing the "Festive Prime Rib Buffet" again, which gives us some specialties like butlered hot hors d'oeuvres, vegetables and dip, and cheese trays during our 6:30 to 7:30 social hour. Eggnog will be served for those in the holiday spirit, and a cash bar will be available for the entire evening.

Our dinner includes a served greens salad, buffet "Salad Station" featuring Fruit, Shrimp and Tomato Mozzarella salads, 3 entrees: Stuffed Chicken Boursin with Orange Supreme Sauce, Pistachio Crusted Salmon with Dijon Hollandaise, and Carved Prime Rib of Beef, potato and vegetable, rolls and butter, coffee/hot tea, and iced tea. An assortment of holiday desserts, will round out our dinner.

Following dinner, we will conduct our final business meeting of 2012, which will include election of 2013 officers, and presentation of the "Member of the Year" award. Door prize drawings will follow.

We will be meeting in the **State Room** this year, best accessed by using entrances G or H. Anyone wishing to reserve a room should contact the Eden Resort at 717-569-6444, and mention you are attending the **Keystone Section, MBCA** holiday event. You should receive a special rate of \$89.95 plus taxes, if a room is available.

The Eden Resort is located on Oregon Pike, (Rt. 272N) just off Rt. 30 in Lancaster. Contact Jan or John Kitner (717-872-2988 or kitjan613@aol.com) with any questions, or for directions. Please, also, let them know if you are attending.
